# CASTORIA

for Infants and Children.

## The Effects of Opiates.

THAT INFANTS are peculiarly susceptible to opium and its various preparations, all of which are narcotic, is well known. Even in the smallest doses, if continued, these opiates cause changes in the functions and growth of the cells, which are likely to become permanent, causing imbecility, mental perversion, a craving for alcohol or narcotics in later life. Nervous diseases, such as intractable nervous dyspepsia and lack of staying powers, are a result of dosing with opiates or narcotics to keep children quiet in their infancy. The rule among physicians is that children should never receive opiates in the smallest doses for more than a day at a time, and only then if unavoidable.

The administration of Anodynes, Drops, Cordials, Soothing Syrups and other narcotics to children by any but a physician cannot be too strongly decried, as the druggist should not be a party to it. Children who are ill need the attention of a physician, and it is nothing less than a crime to dose them willfully with narcotics. Castoria contains no narcotics if it bears the signature of Chas. H. Fletcher.

The signature of *Chas. H. Fletcher* guarantees genuine Castoria.

Physicians Recommend Castoria.

"Your preparation known as Castoria I have used for years in children's complaints and I have found nothing better." J. J. LEPPA, M. D., Cleveland, Ohio.

"For several years I recommended your 'Castoria' and shall always continue to do so, as it has invariably produced beneficial results." EDWIN F. PARKER, M. D., New York City.

"Your Castoria is a meritorious household remedy. It is purely vegetable and acts as a mild cathartic. Above all, it does no harm, which is more than can be said of the great majority of children's remedies." VICTOR H. COFFMAN, M. D., Omaha, Neb.

"I have used your Castoria in my own household with good results, and have advised several patients to use it for its mild, laxative effect and freedom from harm." EDWARD PARKER, M. D., Brooklyn, N. Y.

"Your Castoria holds the esteem of the medical profession in a manner held by no other proprietary preparation. It is a sure and reliable medicine for infants and children. In fact it is the universal household remedy for infantile ailments." J. A. PARKER, M. D., Kansas City, Mo.

## WELLS WEDDING WAS A SECRET

Ward Wells' marriage to Miss Lorita Crabbs in San Rafael, Cal., a few days ago, was a secret wedding, according to the news from the Coast. A San Francisco paper says:

Keeping their intentions a secret from their parents, and taking but two of their friends into their confidence, Miss Lorita Crabbs of Alameda and Ward Wells of Oakland made an unostentatious voyage to San Rafael yesterday afternoon. The trip was taken for the purposes of securing a marriage license and the later celebration of a marriage ceremony. Both of which purposes were accomplished. The young folks were married in the Episcopal Church of San Rafael, the bride being attended by Miss Florence Palmer and the groom by Mr. Skinner, both of whom accompanied the couple to Marin County's matrimonial metropolis.

The young Mrs. Wells is the daughter of Mrs. Helen A. Crabbs of Alameda, and is just of age. She is quite prominent in Alameda's younger set. Ward Wells, the bridegroom, is the son of a well-known sugar-plantation owner of Honolulu. He is just 21.

After the ceremony the party returned to the Jefferson Hotel, where bride and groom were entertained and dined by Mrs. W. W. Macdonald. Later, news of the runaway match was flashed over the bay by phone.

## DR. HOUGH IS DEAD IN PARIS

The Rev. George A. Hough, who has many friends in this city, died in Paris two weeks ago, according to news arriving here yesterday.

Dr. Hough for more than five years was pastor of Grace Methodist Episcopal Church of San Francisco. He left San Francisco last September in company with his wife for a tour of the world as a passenger on the steamer Cleveland. While on the steamer he conducted religious services and delivered lectures to the other tourists aboard on foreign lands he had visited.

After making the entire round trip on the Cleveland the pastor returned to San Francisco. His stay was short, however, as he and his wife left again for a world tour when the Cleveland called. They passed through Honolulu and made a number of friends here.

## NO CAUSE TO DOUBT

A Statement of Facts Backed By a Strong Guarantee.

We guarantee immediate and positive relief to all sufferers from constipation. In every case where our remedy fails to do this we will return the money paid for it. That's a frank statement of facts, and we want you to substantiate them at our risk.

Reckall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Reckall Orderlies are unsurpassable and ideal for the use of children, old folks and delicate persons. We cannot too highly recommend them to all sufferers from any form of constipation and its attendant evils. That's why we back our faith in them with our promise of money back if they do not give entire satisfaction. Three sizes: 12 tablets 10 cents, 36 tablets 25 cents and 80 tablets 50 cents. Remember, you can obtain Reckall Remedies in Honolulu only at our store—The Reckall Store, Benson, Smith & Co., Ltd., Fort and Hotel Streets.

## SUMMER SCHOOL BOOKS NAMED FOR TEACHERS

For the benefit of teachers planning to attend the summer school to be held at the Honolulu Normal and Training School, July 7 to 21, the list of books to be used as references in the classes are named below. All of these books are in use in the public schools of the Territory, and this list is published in order that teachers who have these books may bring them and not be compelled to purchase them.

Primary Grades.  
English—Swinton's Grammar and Composition; Scotch Book; Vision of Sir Launfal; Lady of the Lake.  
History—History of the United States and Its People (Eggleston); General History.  
Geography—Natural Advanced Geography or Redway & Hinman or Frye's Complete Geography or Tarr & McMurry's Advanced Geography.  
Arithmetic—Wentworth's Practical Arithmetic.  
Physiology—Smith's Human Body; Good Health (Gulick).  
Grammar Grades.  
All those used in the primary grades and also the following:  
English—King Lear; Julius Caesar; Macbeth.  
Mathematics—Wentworth's Elementary Algebra; Wentworth's Plane Geometry.

Sanitation officials reported to the Health Board yesterday afternoon that 66,634 inspections were made during the month of May. Dr. Pratt, president of the Board, said the unusually high number probably was due to the zealous activity of several new men who have not become thoroughly familiar with the work.
